The previous statistical update to the partners last week showed the winning strike rate for the season at 20 percent, which is exceptional in this industry. But the current rate eclipses the old one, and is now at a remarkable **22 percent!**

In 102 starts to date in 2025, the stable has accumulated 19 wins, 10 seconds and 14 thirds. The in-the-money rate also continues to grow and is currently at 45 percent.
