

TEAM VALOR INTERNATIONAL EXPERIENCES ANOTHER RED LETTER DAY STABLE HAS WON MULTIPLE STAKES RACES ON SAME DAY FOURTEEN TIMES

When a stable is fortunate enough to win more than one stakes race on a single day, it is very special indeed. A true “red letter” day. The most recent thirtieth day of March is one such date for this stable, when its two scheduled runners both delivered in the stakes races in which they participated.

The first was Team Valor’s French-based Facteur Cheval, owned in partnership with movie mogul Gary Barber, which won a hard-fought victory in the \$5-Million Grade 1 Dubai Turf. This was followed up a mere 20 minutes later with Irish-based filly Easy at long odds skipping home in the Cork Stakes after a lengthy layoff of 567 days.

Two stakes wins in such a short span is a rare enough event that it was remarked upon in several media outlets. But this was hardly the only time the stable has seen this happen.

In the now 38-year history of Team Valor, and its former name Clover Racing, this exceptional occurrence has happened fourteen times. In the calendar year 2007, this occurred three times.
